Dear Sir:

I have followed the D'Souza "persecution" for some time. I'm not surprised of D'Souza's pleading, given the crushing force and intimation practices of the US DOJ. All citizens are in jeopardy given the over 4500 criminal violation standards now in Federal law.

Avoiding droning on, I urge you to recognize this primary example of selective prosecution and render a suspended sentence or vacated sentence.

I write this as a concerned citizen, knowing that the US Govt. could randomly crush me as well.

Very truly yours,

James A Baker
